Certificate of Appreciation Presented to PARTS Coalition in SALINAS

On September 2012, the Substance Abuse and Mental Health Services Administration commended PARTS Coalition for hosting a 2012 Town Hall Meeting to prevent underage drinking and for keeping our youth safe, healthy, and alcohol-free.

We want to share this with you!!!!!!

Excellent Example of Prevention South County PARTS Coalition

Dee Acosta, PARTS facilitator for South County Coalition, organized the National Prescription Drug Take Back Day on September 28, 2012, with the help of her PARTS Coalition members from: Mee Memorial, Alliance On Aging and the King City Police Department.

From the Greenfield News:

King City PARTS subcommittee helped organize the National Prescription Drug Take Back at the Memorial Dialysis Clinic, for the second time in South County; the first was put on collaboratively between PARTS and through Sun Street Centers. "Many persons do not have anywhere to properly dispose of the drugs, and leave them in their home after they have expired or are just not used. The risk in that, Acosta said, is that others could get a hold of the drugs and misuse them."

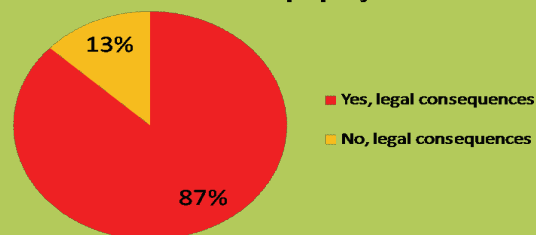

PARTS coalition on the Peninsula

- * Youth accepted proclamations from the cities of Marina, Pacific Grove, Del Rey Oaks and Monterey.

- * Dramatic rise in requests for RBS trainings

Distributed Social Host surveys to over 200 adults!!

Do you think there should be legal consequences for adults providing alcohol to a group of underage youth in their home or property?

Sobriety checkpoints are traffic stops where law enforcement officers systematically select drivers to assess their level of alcohol impairment. If you are interested in participating in DUI checkpoints, please contact us and we will be happy to talk to you about what to expect during the DUI!

GREAT WORK STEPS!!!
