## Explore Our Programs

### Prevention

*Promoting alcohol and drug awareness in our community through events and education in schools across Monterey County.*

### Men's Residential Program

*A social model of recovery where men pursue sobriety and learn valuable life skills, in a peer to peer environment.*

### Outpatient Recovery Services

*A community in support of clients' recovery process, programs for working families.*

### Pueblo del Mar

*A safe, affordable, transitional housing program for homeless women and men with children in recovery.*

### Hollister Services

*Women's residential program in addition to sober living environments for men and women.*

### Sobering Center

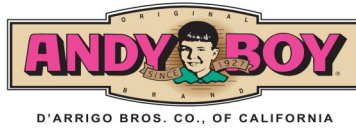

*An alternative to jail for public intoxication and non-violent DUI offenders who will receive referrals to programs and counseling on alcohol issues and social services.*

### King City Services

*A men's and women's treatment program and community outpatient services coming later in 2018!*
