

2017 Gratitude Report

Celebrating 50 years of service to the community

"As we enter our **50th year** of service, I am humbled to represent such a fine group of people committed to families and recovery. In 2015, our Board of Directors created a plan for our 5-year future our '**2020 Vision**'. This includes recognition for our leadership in contributing to healthy families and communities. Therefore, it was a great

honor to receive the **Healthcare Nonprofit** of the Year award from the **Nonprofit Alliance of Monterey County**. This was an acknowledgement that we are on the right track!

We've commenced the next 50 years with **new programs for women and teens**; which has been in our strategic plan for 9 years. In February, I will celebrate 10 years here, expanding my growth as a leader. I've also come to appreciate the courage of recovery and the wisdom of the 12 Steps.

Sun Street Centers is an amazing organization, and I am dedicated to our clients and their families - from our Prevention youth who lead by example, to our Recovery families who provide peer support and a helping hand. **None of this would be possible without the support of our donors, partners and volunteers!"**

With Gratitude,

Anna Foglia, CEO

Our first Hollister fundraiser in May 2017, the **Taste of the South** was a great success, championed by local board members and friends of Sun Street Centers. We raised awareness about our new endeavors in San Benito County and raised over \$20,000 for the purchase of the house for our new Hollister Women's Residential Treatment Center.
