Thank You!

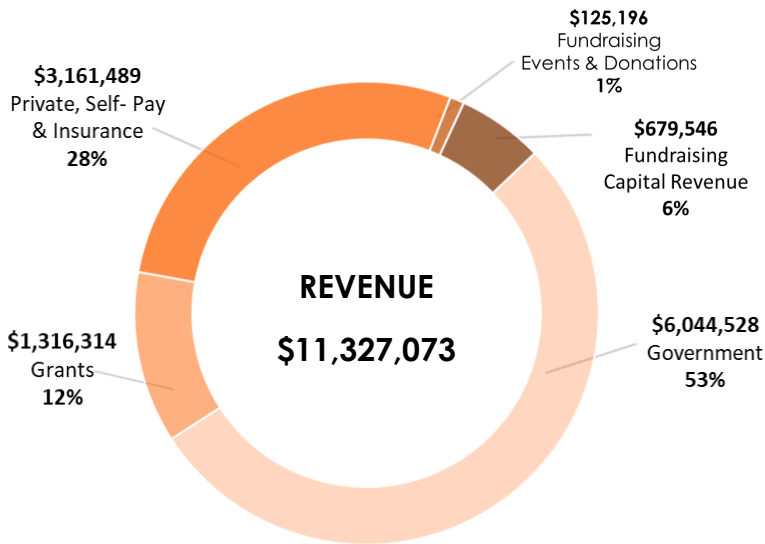

As we prepare for 2022 and reflect on the past year, I am struck by the power of redemption. Recovery is all about another chance. A chance to live your true intentions. I am so proud that you and I can be at the front lines of helping families reunite, helping teens find a voice, helping men and women finally find the will and path to a life free of addiction. We are extremely grateful for our partners, sponsors, volunteers, and donors. In this report you will see how your efforts fueled our performance in 2021. Special thanks to our hard-working, talented Board of Directors.

Summer Soiree
July 10, 2021
Toro Park

This fundraiser directly supports the **Anne C. Leach Scholarship Fund**. The money raised through this fund is then used to cover a portion of the program fees of individuals who have **successfully completed** goals in one of our residential and recovery programs. Last year, we had the privilege of awarding four individuals who are working hard towards a life of **long-term recovery** through the Anne C. Leach Scholarship Fund.

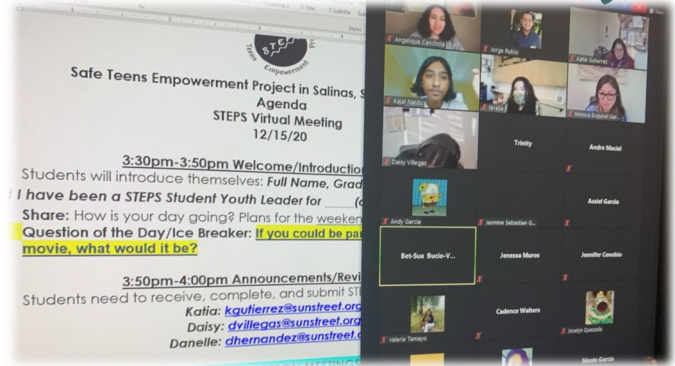

Turning what we have, into enough!

Taste of Hollister July 31, 2021 Women's Residential House

Every year this event raises needed funds that help support **Women's Residential and Perinatal Treatment Program** and **Sober Living Environments** in San Benito County. This year, an open house was held at the women's recovery center in Hollister to learn more about women, addiction and ways to **support** their efforts for long-term recovery in **San Benito County**. Last year, we were able to support and help **91 men and women** through our residential programs and sober living homes.

M.C. Gives Nov. 13 - Dec. 31, 2020 STEPS Program

Sun Street Centers' Safe Teens Empowerment Project (STEPS) participated in Monterey County Gives to keep the community informed about the dangers of **gateway drug** use by creating content for sharing across multiple **social media** platforms, including TikTok, YouTube, Facebook, Instagram, Zoom, and Twitter. STEPS raised **\$11,902** in individual donations and also received a challenge gift of **\$5,000** to support their social media projects.

MONTEREY COUNTY GIVES!
Joining Together for Big Ideas

Receiving the Anne C. Leach Scholarship Fund helped me be more self-sufficient and it also motivated my support group to know that anything is possible. I wasn't looking for a recognition, in fact, I never applied for the scholarship fund, I was nominated. Sun Street Centers has given me a chance to become who I am. With their support and my willingness, I got my kids back full-time, I volunteer in food drives and also have employment. This would not have been possible if the programs were closed. If they were closed, I would be in the streets now.

-Isaias B. Olivarez, Anne C. Leach Scholarship Recipient
